

Some Buildings At Arsenal to Be Leased Soon

Buildings offered for lease of industrial facilities at the Joliet Arsenal, with bids to be opened June 7 at 2 p. m in the post engineers office, have been extended to include a gate house containing approximately 1,209 square feet of space.

Other buildings offered for lease are barns; tool sheds, corn crib and temporary warehouse.

The lease will be for a term of five years, but revocable at will by the secretary of the army. The lessee will be required to accept the property "as is" and the government will not furnish any additional equipment, parts or supplies, or perform any repair or alteration work.
